

## Assignments and Wiki

### Managing Assignments

Authors	Last submission	Submissions	Feedbacks	Last score
Brulyants Pierre		0	0	
Carlos Molina		0	0	

- Posting files that can interest other course members.
- Submitting an assignment to the course manager.
- Handing in group works.
- Giving marks and an automatic feedback.
- Allowing different uses according to the configuration defined by the course manager.

### Collaborating with the Wiki

#### Collective redaction tool

- Elaborating or filling out an assignment from home on a unique document.
- Tracking the history of changes.
- Gaining time and efficiency in group work.
